

## **MMAN1130 – Design and Manufacture**

### **Lesson 3 – Drawings - Prelab Exercises**

The following videos can be accessed once you have created an account to access My Solidworks. If you haven't created an account, or are unsure how, please go to <https://www.solidworks.com/media/mysolidworks-students> .

Note, all drawings skills are core. There are no advanced skills, it is important you master them all.

#### **Core**

Drawings and Detailing - <https://my.solidworks.com/training/master/174>

Detailing: Dimensions - <https://my.solidworks.com/training/master/139>
